

WORLD CYCLING FORUM

VIP EVENT - 6TH OF JUNE

Visit to the Delft's Sports Engineering Institute

The World Cycling Forum, together with the Delft University of Technology (TU Delft) is offering World Cycling Forum participants the exclusive opportunity to attend a VIP site visit to its Sports Engineering Institute.

The site visit will feature an introduction to the Sports Engineering Institute and three guided tours to the 'open Jet facility', the 'Dream Team Hall HPT' and the 'Cycling lab'. Please note that this site visit is free of charge for all World Cycling Forum registrants and that transportation from the SS Rotterdam to TU Delft will be included.

There is only a limited amount of spots, on a first come, first serve basis. Don't miss out on this opportunity and register now!
